

## **Parent/Community Blurb for Notice of Adoption**

**Biggs Elementary Science Materials Adoption** – Biggs Elementary is considering the adoption of new Science instruction materials. The curriculum is published by McGraw Hill Education and is entitled Inspire Science. Copies of student materials for grades 3, 5, and 8 are available for review at the District Office, 300 B St. Biggs, CA through June 9, 2023. The Board will consider the adoption of the new materials at the June 14, 2023 Board meeting. The newly adopted materials will then be implemented in the 2023-2024 school year.
